

With the purchase of this ticket you are granted 1 You&ENI point for every Euro you spend, net of of pre-sale commissions (web fee) and of delivering charges. If you are purchasing on the website, enter your You&ENI Card number in the form when required. Otherwise, if you are purchasing through the LisTicket Call Center report it to the operator.

If you want to use You&Eni points to purchase this ticket, register on the listicket.it website, select the "Buy on internet" option and click on [Find out how many You&ENI points you need to claim this ticket as a price.](#) Go to an AGIP filling station and ask to redeem from your You&ENI card the points you need for purchasing the ticket. You will be given a receipt (voucher) containing a code which you need to fill the form with when purchasing on the listicket.it website. If you are purchasing through the LisTicket Call Center you need to report the voucher code to the operator.

Remember that purchasng tickets with the redemption of You&ENI points does not allow to collect You&ENI points in the same purchasing session
